OMNITRANS

September 14, 2011

Dear Marcie,

I would like to take a moment and thank you for inviting me to be part of your unique corporate matchmaking group. Your dedication and enthusiasm are contagious within your team, and I believe this is a key component of ***Let's Get Going's*** continued success.

The concepts you use to assist business professionals in developing their business are highly effective. I watch firsthand on a weekly basis many companies and executives who reap the benefits of being part of this exclusive membership.

Business is about meeting people, building trust, and developing long term relationships. Your company provides the perfect platform to do exactly this, therefore creating opportunities which would have otherwise not existed.

Let's Get Going is a tremendous asset and has my highest recommendation.

Best regards,

Brian Schwenger
